Quiet Closure

We close a loved one's online accounts, so you don't have to. Email, social media, cloud storage, shopping, streaming and subscriptions, each through the platform's official process. No passwords, no phone calls. Entirely by email.

$497 flat for up to 10 accounts you choose, plus $25 for each one after that.
Common examples: Google/Gmail, Facebook, Instagram, Apple/iCloud, Amazon, Microsoft/Outlook, X, LinkedIn, Netflix, Spotify.
No hidden fees.

How it works

1. Get started at quietclosure.com.
2. Fill in a short private form and upload the death certificate and proof of authority.
3. Requests filed through each official channel, with written updates by email.

Who we are

Quiet Closure is run by Joshua in Pittsburgh and serves families anywhere by email. We are not a law firm and don't give legal advice.
